EAGLES OF EXCELLENCE GALA

Monday, November 2, 2026
5:30pm - 7:30pm
The Pinnacle Center Hudsonville

Your company is invited to join in an incredible community celebration: the 2026 Eagles of Excellence Gala. Engaging in an event that unites more than three hundred educators, administrators, students, parents, alumni, community representatives, and business leaders is a fantastic opportunity to honor extraordinary individuals linked by Hudsonville Public Schools and raise awareness for the great products and services you provide the community.

Sponsoring the gala creates a platform for inclusion and recognition for your business during a formal awards program and dinner on November 2 at the Pinnacle Center in Hudsonville. That evening, we will:

Honor Inductees to the Distinguished Alumni Hall of Fame

Hudsonville Public Schools graduates who have made exceptional achievements in their respective fields will be inducted into the Distinguished Alumni Hall of Fame. This designation is a high award and is commemorated with the inductee's family, friends, colleagues, and community of eagles.

Recognize Students and Mentors

Twenty-four "Eagles of Excellence" from our middle and high schools, alongside their educator mentors, are recognized for their consistent academic effort and demonstrating positive character qualities inside and outside of the classroom.

Broaden the Hudsonville Education Foundation Community

The importance of this Hudsonville Education Foundation's work is to ensure educational outcomes, like those of the students, mentors, and distinguished alumni, can be maximized by the innovation of educators. Your support adds to the engagement of individuals, families, and companies in pursuit of building a lattice of support for transformational impacts that last far beyond the classroom.

MISSION OF THE HUDSONVILLE EDUCATION FOUNDATION

The Hudsonville Education Foundation invests in academic opportunities for Hudsonville Public Schools students by providing funding for resources that enrich education.
