About the Soarée

Your sponsorship propels impact in the classroom.

The Spring Soarée highlights the people, partnerships, and possibilities shaping our schools.

Sip. Savor. Support.

Set against the charming backdrop of Farmhaus Cider Co., this relaxed spring-themed event invites attendees to sip handcrafted beverages, enjoy great food, and explore exciting silent auction packages while supporting the growth of our classroom grant program.

Our attendees are your customers, employees, and community partners.

These guests join us if they are committed to the work of the HEF, curious about the organization, or seek a enjoyable evening out with friends.

Sponsors and guests fuel the next wave of creativity and achievement in our district through an event where proceeds inch us toward the $25,000 goal for teacher grant awards. The awards fund everything from innovative science experiment supplies to lifesaving CPR equipment.

Through sponsorships, ticket purchases, and silent auction proceeds, the collective effort of the event expands opportunities for students.

Your support adds to the engagement of individuals, families, and companies in pursuit of building a lattice of support for transformational impacts that last far beyond the classroom.
